the local bodies or other institutions & know that they can obtain free supplies of plants and seeds they will flood the Deptt with their requisitions and it will be very difficult for the latter to exercise discrimination in complying with their requests. It is impossible for him to satisfy himself that the seeds and plants are put to proper use unless he is allowed to tour throughout the State which is obviously not possible. He may however be authorised to issue seeds and plants to any institution at concession rates or even free if the supply is recommended by the Dy Comm or the Distt Supdt (in the case of schools) and the Ch Engr (in the case of P.W.D. under their management)

Dr Ch. Rey
6.9.36.

Returned with compliments.

A list of applications so far received is put up.

The cost of meeting these requisitions will approximately amount to Rs. 800/-

This Department has been entrusted with propaganda work connected with Horticulture in rural parts in about 50 villages of the Bangalore district and the supply of plants to the Village Panchayats for encouraging backyard planting and avenues. The cost of this alone will amount to about Rs. 500/-. As the villages have been induced to take up planting we do not generally get any formal applications from individuals although during my tour inspection I have noticed that the villagers desire to participate in this kind of work. If individual applications are to be called for they must be obtained only through the

CHIEF ... 1. [illegible] 19..
GOVT OF MYSORE

1152 4796 5

the local revenue authorities. But to obtain sanction of -- Government on each application would be laborious. In addition, some Agricultural Officers and the officials of Public Works - Department and Town Municipalities have enquired if plants and seeds would be supplied for their localities free of cost.

14 I have no objection to the scrutiny of all applications from the institutions mentioned in my letter and even of individuals by the Deputy Commissioner. Nurseries have been opened by this - Department at Krishnarajasagara, Dar-i-Dowlat Bagh and Bangalore gardens for the propagation of the plants and a large stock has been raised already, which could be sent if the indenting --- institutions meet the packing and freight charges.

CHIEF SECRETARY. 4 APR. 1936

A.V.Ramanathan, Esq., B.A.,

Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to report that a number of requisitions are being received from Village Panchayats, Municipalities and also from Government Schools, Travellers Bungalows etc for free supply of plants and seeds for purposes of planting.

I am fully in sympathy with the requests made and feel that the requisitions should be met as most of the institutions can hardly spare funds for planting of trees etc. I therefore request that Government may be pleased to authorise me to issue a limited quantity of seeds and plants which could be conveniently be spared from the different Government Gardens, Nurseries free of cost, the value of the supplies made being noted in the accounts as free supply. I also request sanction of Government to make supplies to the indenting Departments on condition that I am convinced of the necessity for such supply as well as the ability of the indentors to look after the plants and maintain them. Periodical reports will if necessary be called for from the indenting Departments as to the progress of the plants in order that the material supplied is not wasted.

If Government are pleased to approve of the above a general order may be kindly issued directing that applications may be made to the undersigned for the requirements of the indentors.

I have the honor to be
Sir
Your most obedient servant,

M K Sitaram Chetty

Sir,

With reference to the correspondence ending with your letter No. 1957 dated 4th March 1937 stating that a number of requisitions are being received from Village Panchayets, Municipalities and Government Institutions for free supplies of plants and seeds, and requesting that in these cases you may be authorised to make free supplies up to a limit of Rs. 1,000 per annum, I am directed to state that the free supply of plants and seeds from the Gardens Department be limited to cases recommended by the Deputy Commissioners. Local Bodies and Government Institutions desiring a free supply should apply through the Deputy Commissioner of the District concerned and it will be open to the latter to recommend to the Gardens Department free supply only in deserving cases.

I have the honour to be,
Sir,
Your most obedient servant,

(Sd) K. Subba Rao.

Chief Secretary to Government.

TSS.
